

Indian Prairie Elementary PTO Mini-Grant Application **Fall/Spring**

The Indian Prairie PTO has allocated money to a mini-grant program. Grants may be used to improve the intellectual, creative, social, emotional, and/or physical wellbeing of populations served by Indian Prairie Elementary School. The grants are open to everyone associated with Indian Prairie, including staff, parents, student groups and PTO committees. Grants totaling up to \$500.00 will be awarded twice each school year.

The PTO Mini-Grant Committee evaluates all applications. All applications are notified in writing of the decisions of the committee. Complete the grant application and attach any additional information that may assist the committee in evaluation of the application.

Please submit completed applications by email to the PTO at indianprairiepto1@gmail.com or place the application in the PTO box in the school office. If you have any questions, please email us at the above PTO email address. The deadline for the fall grant is the first week in November and the deadline for the spring grant is the first week in March. An application that is submitted by the fall grant deadline will be considered for both the fall and spring grants (assuming that there is not a time constraint on the project).
